LOYALTY REWARDS

# Enriching lives by maximizing health

## Elite Opportunity

Elite Members are customers of Goldshield Elite who purchase the highest quality health and wellness products at **wholesale** pricing. By taking advantage of Elite's Monthly order program, with a product purchase equal to 30 Qualifying Value (QV) or more, Members enjoy discounts and rewards. Additionally, Members qualify to earn rewards – **CASH** back in the Loyalty Rewards Program! Elite offers two levels of Membership: Basic and Advanced.

## Basic Members

As a Basic Member, you can purchase quality products at **wholesale** prices and you may earn rewards on purchases from up to 30 other Elite Members that you refer to Elite, or are referred by others<sup>1</sup>. Not only do you qualify to earn cash rewards up to a maximum of \$300 per month<sup>2</sup>, Elite Members always receive **wholesale** pricing, free shipping, and can take advantage of monthly specials. All of this is possible by becoming an Elite Basic Member for only US\$10/Can\$15.

<sup>1</sup> As a Basic Member, you may have other Members placed under you by your Enroller or other Members, to qualify for rewards.

<sup>2</sup> Rewards are calculated in U.S. dollars and converted into international currencies as applicable.

Don't ever pay retail again and become an Elite Member today!

# th, longevity, and financial freedom

## Basic Rewards Illustrated

When you refer others to the Elite Membership program, these Members are placed under you, allowing you to earn **CASH** rewards on their purchases. It is also possible to receive rewards **without ever referring anyone!** The person enrolling you as a Member is most likely a business-builder and consistently enrolling new Members. Due to the way our reward levels are structured, you may automatically have Members placed under you. Check with your Enroller for further details.

*Example: If all of your 30 Members each have a monthly RV of 50, and you have a qualifying order, your monthly **CASH** reward will be \$135.*

## Beyond Basic Membership

Advanced Members earn even more **CASH** with Elite's Loyalty Rewards! In addition to the 35% Personal Enroller's reward and the 10-30% Personal Volume reward, Advanced Membership benefits include:

- A 10% Enroller's Performance reward
- 9% reward on your entire organization at applicable levels
- Double Bonus rewards
- Monthly Home Bonus
- And much more!

Elite's Advanced Membership enrollment is US\$29.95/Can\$45.15. (Basic Members may upgrade to Advanced Membership for FREE with the purchase of a Success Pack at any time. Contact your Enroller or visit our website for details!)
